Work Experiences

Lead Designer and Frontend Dev

Online Merchant Solutions Co. Ltd., 2023 - 2025

- Developed functional React prototypes for complex Delivery & Warehouse Logistics web and mobile applications.
- Spearheaded cross-platform UI/UX (Web, Tablet, iOS/Android) for merchant POS and consumer-facing apps for AxtraPOS.
- Established and maintained a centralized Design System and UI Kit, streamlining collaboration between the product team and developers to ensure design consistency.

Senior UI/UX Designer

Online Merchant Solutions Co. Ltd., 2019 - 2023

- Designed interactive Figma prototypes for an on-demand rider app, mapping intuitive edge-case journeys to prioritize driver focus and safety.
- Redesigned legacy Figma screen layouts to resolve fragmented user flows, optimizing task progression across daily booking and guest management system.
- Redesigned a Smart Electricity Usage management application using HTML, CSS, and Vanilla JS. Transitioned frontend tech stacks from Bootstrap to Tailwind CSS.

Web & Graphic Designer

Narigo Travel and Tour Co. Ltd., 2016 - 2019

- Built responsive, cross-platform webpages from scratch using HTML, CSS, JavaScript, and jQuery.
- Designed high-quality logos, custom iconography, banners, and vector illustrations utilizing Adobe Illustrator.
